

Veiled Woman Kidnaps a Child

"This Is Your Mother," As-
sert Playmates, the Ab-
ductress Said.

Tampa, Fla., Feb. 12.—Catherine McCallie, the 5-year-old daughter of Mrs. Newton C. Farnett, of Spokane, Wash., was taken from the home of her aunt here today by a veiled woman, who whisked the child off in an automobile and has not been located by the police.

The McCallie girl's father, Edward McCallie, of Chattanooga, Tenn., was divorced from her mother at Reno, Nev., two years ago. The little girl was given by the court to the father, Mrs. McCallie later married Newton C. Farnett, a son of former congressman, Stuart Farnett, of New York, and moved to Spokane.

Children with whom the McCallie girl was playing declare the veiled woman was "Catherine, this is your mother," as she gathered the girl up in her arms.

**Cheap and
Easily Made, But Ends
a Cough Quickly**
How to Make the Very Best
Cough Remedy at Home.
Fully Guaranteed.

This pint of cough syrup is easily made at home and saves you about \$2.00 as compared with ordinary cough remedies. It relieves obstinate coughs—croup, whooping cough—quickly, and is splendid, too, for bronchial asthma, spasmodic croup and hoarseness.

Mix one pint of granulated sugar with 2 1/2 pints of warm water, and stir for 2 minutes. Put 2 1/2 ounces of Pinex (fifty cents' worth) in a pint bottle, and add the Sugar Syrup. Take a teaspoonful every one, two or three hours. Tastes good.

This takes right hold of a cough and gives almost instant relief. It stimulates the appetite, and is slightly laxative—both excellent features.

Pinex, as perhaps you know, is a most valuable concentrated compound of Norway white pine extract, rich in vitamin and the other natural healing pine elements.

No other preparation will do the work of Pinex in this mixture, although strained honey can be used instead of the sugar syrup, if desired.

Thousands of housewives in the United States and Canada now use this Pinex and Sugar Syrup remedy. This plan has often been imitated, but the old successful combination has never been equaled. Its low cost and quick results have made it immensely popular.

A guarantee of absolute satisfaction, or money promptly refunded, goes with this preparation. Your druggist has Pinex, or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.

FEDS NOT AFTER EVERS, THEY SAY

Weightman Says Federalists Recognize
Evers' National League Contract
And Won't Try to Get Him.

New York, Feb. 12.—A new angle developed in the baseball situation here today when the Federal league promoters announced that they would not bid for the services of Johnny Evers' deposed manager of the Chicago National league club. Charles H. Weightman, the leading backer of the Federal league, stated that his organization considered Evers under contract with the National league, and conforming with the new league, announced policy, would make no effort to obtain Evers.

Weightman further stated that the fact that Joseph Tinker had arrived here from Chicago in time for an early morning conference with president Gilmore and himself, had no bearing on the Evers situation. Tinker came to New York, said Weightman, "at my telegraphic request, bringing some important papers, which were needed. He will also endeavor to elicit several players with whom we have been negotiating. Evers is not among them and will not be approached. We all agreed that he is under contract. The Cubs, denied that he had any intention of retiring from professional baseball, and that he was the owner of any more to force him out of the National league. He said:

"I am in the game to stay. It has become the national pastime to kick Murphy out of baseball at least four times a year, and I am getting used to it. I am master of my soul—the real and only boss of my ball club—and I am going to run it the way I see fit. These knooks I receive with a great deal of happiness because they help to fill the ball park with buyers of Murphy who have paid their white money to help make Murphy rich."

SEEING THE PANAMA CANAL.
Only a very few Americans ever will see with their own eyes the great canal at Panama. Nearly all of us have seen maps that show, in black and white outline, the course of the great waterway.

Fortunately, there is a type of map which is not the dead, flat outline, but which comes as nearly as may be to giving one an idea of how the canal looks. This is a bird's eye view of the whole canal made under the direction of the National Geographic society.

A map, printed in four colors, forms the frontispiece of "The Panama Canal," by Frederic J. Haskin, the book that has the O. K. of Col. Goethals.

DEATHS AND BURIALS.

MISS JOSEPHINE CROSBY.
In New York city, Thursday afternoon, Jan. 15, service was held at the Church of the Transfiguration, (or as it is familiarly called, "the Little Church Around the Corner"), to solemnize the burial and perpetuate the memory of Josephine Bremond Crosby, daughter of the late Joseph Francis and Josephine Bremond Crosby, of El Paso. The service, conducted by the Rev. G. C. Houghton, was unusually impressive.

Dearly detailed in accordance with the oft expressed wishes of the deceased. The flowers which she so loved were there in profusion, messengers from hearts which had known and had felt the influence of her life of love and charity. Read by the rector, the hymns "Hark, hark my soul," "I heard the voice of Jesus say," and "Abide with me," were sung by the full choir of men and boys.
